WHAT'S NEW?

PARISH PHOTO DIRECTORY

Since the last Parish Directory of 2001, many have felt the need for a new one. In the next few weeks, a photo taking schedule will be announced. I have had an initial meeting with the Life-touch Company. It would be wonderful if we could get the Directory ready by Easter 2009.

I have requested Sandy Kearney to coordinate this project. I'm grateful to her, on your behalf, for accepting this important work.

Marriage - Bishops' Statement in Support of Proposition 8

The issue before us with Proposition 8 is "marriage" --- an ancient, yet modern, human institution which pre-exists both Church and government. Marriage, history shows us, is intrinsic to stable, flourishing and hospitable societies. Although cultural differences have occurred, what has never changed is that marriage is the ideal relationship between a man and a woman for the purpose of procreation and the continuation of the human race. We must support traditional marriage as the source of our civilization, the foundation for a society that can be home to all human beings, and the reflection of our relationship with God.

CONGRATULATIONS

to Teri Pallitto, Principal, and the Children of St. Veronica School for collecting over 250 pairs of used shoes for the poor children in the province of Marinduque, a small island in the Philippines. Most of the children have no shoes, and when Ms. Pallitto learned of the situation from Puchi Carrion Di Ricco, one of our parishioners, the school children's response was overwhelming. Thank you St. Veronica School Staff and Students.
