50th Anniversary of St. Veronica School

Dear Friends,

Many of you may have had the pleasure of participating in the 50th Anniversary Celebrations of our parish school last Sunday January 25th.

The mass was attended by an overflowing congregation, and there seemed to be a spirit of deep joy and profound gratitude for God's blessings on our school these last 50 years. Everyone looked happy in the festive-looking Church. The alumni (including some from the first batch of 1964), some founding members, parents, grandparents of present and past students, principal, vice-principal, teachers, benefactors, well-wishers filled the church. The music was excellent. The prayer of the faithful done by parents and children was memorable. The reception that followed in the parish center was well arranged. We rarely see so many people in our parish center. The exhibits tugged at the hearts of people as everyone loved to look at the old pictures and walked down memory lane. The food was delicious. The open house in the school drew big crowds. What a fine celebration!

I wish to thank **Michele Evans**, coordinator of the celebrations, for the excellent job done. She and her team, along with the principal, **Teri Pallitto**, deserve our deep appreciation for making us all feel proud of our school.

We look forward to the next big event connected with the 50th anniversary of our school on April 25th.

God is inviting us to continue the mission of Christ in and through our school for another 50 years and more, sharing our faith and values with our children, inspiring them to be men and women for others, building up the community of our parish. This task takes nothing less than the collaboration and support of everyone in the parish and school. Are you ready and willing to forge ahead and do great things for God and people through St. Veronica School?

Father Charles, Pastor.

Parish Directory News

Dear Fellow Parishioners,

Photo appointments for the Parish Directory have now been concluded.

Thanks to all the members who elected to participate in having their photos taken for the directory. The number of members participating determines just how many pages we can have to produce our book. Thank you for your support, which will allow us sufficient pages in which to tell our story.

A special thanks to Teri Pallitto, our parish school principal, for her support in providing space for us to host our photo sessions. Please note, several students assisted in getting the science lab ready for the photographers too.

We will keep you updated on the progress of production and when you can expect to receive your copy as well.

Gratefully yours,

Sandy Kearney
St. Veronica Parish Directory Coordinator
