Reflection on Our Cover

The place of Jesus' testing is the desert, traditionally believed to be the abode of evil spirits. Reminiscent of Israel's forty years in the wilderness, Jesus fasted for forty days and forty nights. The devil challenges Jesus' identity as Son of God, urging him to turn stones into bread. The devil then proposes that Jesus test God's promise of protection by throwing himself from the pinnacle of the temple. Finally, the devil offers Jesus dominion over the world. Jesus' responses outline a very different approach. He will allow the word of God to direct his actions, he will rely on God's providence, and he will remain faithful to God. Jesus is steadfast in the face of temptation.

So we come to this Lent and the possibility that God wishes to draw us out into a quiet, lonely place to have us meet the One who made us, redeemed us, and continues to shape us into temples of the Holy Spirit.

Parish Lenten Almsgiving

Once again during the Lenten Season as part of our parish almsgiving, we are conducting a non-perishable food drive supporting the needy in our St. Vincent de Paul conference. Next time you are grocery shopping, pick up an extra item or two and share with those less fortunate. Food receptacles will be placed in the church, one by our baptismal font and another in the vestibule of the church.

Suggested Items but not limited to:

Peanut butter	Canned food	Rice
Beans	Pasta	Tuna
Jams/Jellies	Capri Sun Drinks	Soup
Bathroom Tissue	Oatmeal	Cereal

ABSTINENCE: Everyone 14 years of age and older is bound to abstain from meat on Ash Wednesday, each Friday of Lent, and Good Friday.

FASTING: 18-60 years of age on Ash Wednesday & Good Friday. On these two days the law of fasting allows only one full meal a day, but does not prohibit taking some food during the day, *as long as this does not constitute another full meal.*

Drinking liquids during the day is permitted.

Thank You for supporting St. Veronica Parish

From the Pastor's Desk

Dear Parishioners,

Pastoral Center: I would like to keep you informed of the progress on the Pastoral Center (old convent building). This building, as you know, will be used from this fall onwards for the purpose of parish meetings and offices. We have made sure now that heating is operational in the entire building. In order to increase security, we have installed surveillance cameras. In the future, there may be a similar surveillance system installed for the school property as well. Fire/Security alarms have been added to the exit doors of the Pastoral Center.

Over the next few weeks, the data and phone cabling work will begin for computers, Internet, and telephone facilities in the building. When we move into the building, we will be happy to have the necessary infrastructure. Those of you who are interested in a Book Club, Bible Study, Movie Night, Justice Ministry, Seminars, Talks, other organizational meetings, etc.! Get ready for all these new opportunities/facilities for our parish!

Recently, we conducted an energy use assessment of our facilities. We are looking for ways to save energy and keep operational costs down. In the process, hopefully we'll save some trees---and some bucks.

We are moving forward with equipping our dynamic parish with the necessary facilities. I thank you for your support and collaboration in this process.

Lent: We have begun the season of Lent with ashes on our foreheads. Let this season turn into ashes all that does not belong to God. Let this holy season burn away all that doesn't belong to the truest and deepest longings of human life. May this season bring peace and joy, harmony and health to our body, mind, heart, and spirit!

Your Friend and Pastor,

Father Charles Puthota
