## Reflection

We all have moments of feeling “down,” times of discouragement, depression, loss, fear, anxiety, (fill in the blank.). Such “Moods” can descend unexpectedly or result from a particular event. They can pass quickly or stay longer. The three main characters in this weekend’s scriptures are having such a moment.

Perhaps Peter is the most instructive for our “sinking” occasions. He was doing fine until he lost focus. As long as he looked to Jesus, he walked on water. When he focused on the wind and the waves, he sank. When he re-focused on Jesus and cried out for help, Jesus’ hand caught him. There seems to be a lesson here.

- What gets you “down”?
- Do you cry out to the Lord and ask for help?

### **PASTORAL CENTER: OLD BUILDING, BUT A NEW LOOK AND A NEW FUNCTION**

This is history in the making for St. Veronica Parish. As of August 01, 2011, our parish offices moved to the Pastoral Center (old convent). This is a big change for us since our parish came into existence in 1951. Apart from the offices, we have now the space necessary for meetings and ministries old and new. The telephone and fax numbers remain the same. It will take a few weeks for us to grope our way into settling comfortably in the building. The volunteers have beautifully painted the building inside. Some areas have new carpets. Most of the expensive furniture was donated by DCM (venture capitalist company) thanks to Sandy Kearney's influence and intervention. The technological upgrade (telephones, internet, wireless, etc.) is excellent, an indication of how our parish can meet the needs of the 21<sup>st</sup> century. Check out the beautiful statue of our Blessed Mother at the main entrance to the building! The St. Vincent de Paul pantry has been set up in a professional and easy-to-use manner. When the time comes, after a few months, we'll have an official inauguration, blessing, and open-house. I thank you all for your understanding and patience during these several months when our dedicated staff and volunteers worked hard to get this building ready.

**Stewardship Committee:** The second meeting of the Stewardship Committee took place on Monday August 01. Those present were: Rich Garbarino, Sandy Kearney, Kathy Lucchesi, Nita Ricotta, Mike Tringali, Dennis Villalta, John Wildermuth, and myself. The purpose of this committee is to find ways and means of addressing our long-deferred maintenance issues. At the meeting we talked about prioritizing projects that need to be done. Among these are: pavement of the whole property, school roof repair, painting of church interior, new carpet in the church, etc. Everyone agreed that we must tackle the pavement of the parking lot as top priority. At the same time, we need to keep in mind that each year we have to

raise the Archbishop's Annual Appeal (about \$55,000) and make the Parish Center (Gym) loan repayment of \$ 50,400. There are also many smaller repair projects that need to be addressed. The committee also reflected on the meaning of stewardship's Three T's: **Time, Talent, and Treasure.** There were suggestions that we need to boost the weekly collections and increase the registered members of the parish, and raise the number of those using the parish envelopes. These measures are part of the larger picture of stewardship that will help us build up our parish community and address the spiritual and material needs of the parish. I shall keep you posted on the developments.

**Visitor to our Parish: Father David Coffey,** my friend from Sydney, Australia, is visiting us from August 02 through 09<sup>th</sup>. I recall with nostalgia the seven years he and I spent at Marquette University, living at the Jesuit Community there. We used to go for long walks and on Friday evenings saw "art" movies at the Oriental Theatre in Milwaukee. Father Coffey, a well-known theologian, taught for many years at the Catholic Institute of Sydney and at the University of St. Louis and Marquette U. The titles of his books are: *Grace: The Gift of the Holy Spirit* (Catholic Institute of Sydney, 1979); *Believer, Christian, Catholic* (Catholic Institute of Sydney, 1986); *Deus Trinitas: The Doctrine of the Triune God* (Oxford University Press, 1999); and *The Sacrament of Reconciliation* (Liturgical Press, 2001). He has written numerous articles in theological journals. He is a friendly, affable, gentle, and kind person. You'll like him a lot! Please welcome him with St. Veronica's proverbial hospitality.

Your Friend and Pastor,  
**Father Charles Puthota**

#### **Guidelines for Scheduling Weddings at St. Veronica Church**

The policy of the Roman Catholic Archdiocese of San Francisco states that arrangements for marriage are to be made at least six (6) months in advance. These months are meant to offer couples the opportunity for prayerful reflection on Christian marriage and for consideration of their future life as "two who will be made one." To assist you in this process, Marriage Preparation Programs for all engaged couples are offered through the Archdiocese. Information can be secured from the Parish Office.

Please follow these steps:

- 1) Contact the Parish Office to schedule an appointment with a priest for your initial meeting.
- 2) During your meeting you will fill out a questionnaire, a date for your marriage can be set and details of the process will be explained.
- 3) Make sure to contact our Music Director and Wedding Coordinator in a timely fashion as well so no details are missed for this very important day.

### **The Profession of Faith**

The time will come shortly when the Church will focus intently upon the revised translation of the Nicene (more correctly Niceno-Constantinopolitan) Creed. The Profession of Faith is one of the parts of the Mass where the Choice of words is highly significant.

Think about the dozens or hundreds or thousands of times you have professed the Faith with the assembly of the faithful. Do these times tend to be unremarkable moments, or can you trace a progression of your Faith?

Do you prefer the renewal of baptismal promises over the recitation of the Creed? Are you comforted or challenged (or both!) by the tenets of the Creed?

Adolph Adam, an insightful theologian of the past century, called the Profession of Faith an “extended Amen” to the Liturgy of the Word. Coming after the proclamation of the Scriptures and the homily, it is the moment in which we begin to make a concrete response to the Word that has been spoken into our hearts.

#### **A Note from Catholic Worker Hospitality House**

Dear Friends,

Thank you for your donation at St. Veronica's Second Collection the weekend of July 23 - 24 in support of our work with those in need in our community. Your generosity will help us to continue feeding the hungry, sheltering the homeless, and comforting the afflicted.

Peace,  
Peter Stiehler

## Rite of Christian Initiation of Adults (RCIA)

The Rite of Christian Initiation of Adults (often abbreviated RCIA) is the process through which interested adults are gradually introduced to the Roman Catholic faith and way of life.

Do you or know someone who longs to have a closer relationship with our Heavenly Father? Did you know that many who have considered becoming Catholic say that no one ever asked them to become a member of our church. Ask about the RCIA sessions for those who are not baptized, are of other faiths, or are curious about exploring the Catholic faith.

Call the rectory office at **650-588-1455** for more detailed information.

## Family Connection

The mission of the Church is to continue the work of Jesus. The family, the domestic church, participates in this mission too.

Talk about how your family participates in the mission of the Church. Discuss ways in which you seek to reach out to your neighbors and people in need through acts of kindness, mercy, and justice. Then read together today's Gospel, Matthew 14:22-33. Talk about how Peter wanted to be like Jesus, to walk on water like Jesus did. Note that Peter was successful for a time, but then he doubted Jesus, and he began to sink into the water. Talk about how your family's acts of mercy and justice are rooted in your faith in Jesus. Pray together that Jesus will continue to work through your family to prepare the kingdom of heaven.

## Last week's Scripture Crossword Puzzle Solution

Elijah recognized the voice of God not in the strong and heavy wind, not in the earthquake, and not in the fire, but in a tiny whispering sound. May we find enough quiet in our clamorous world to hear His voice and discern what He is calling us to do and be.

When the disciples saw Jesus walking toward their boat they were afraid!  
 Use a light-colored crayon to highlight only the uppercase letters in the waves.  
 They will spell out what Jesus said to them.
